Welcome, and thanks for becoming a member of the community supported garden at Asbury Village Farm for the 2017 growing season. We at Asbury Village Farm pledge to manage the farm and produce high quality vegetables, herbs and flowers using ecologically sustainable farming methods in compliance with our Certified Naturally Grown certification. The quantities of produce in the share will vary from our projected yields due to the unpredictable nature of farming. Should you choose to cancel membership after committing, it is your responsibility to find another party to buy your share. Refunds will be given only in exceptional circumstances (moving, sickness, etc.). Share distribution occurs at our Asbury, NJ location on Tuesdays and Fridays starting at noon, for a duration of 24 hours. Shares begin the first week of June and last for 25 consecutive weeks. *Please note that one family share is the amount of vegetables estimated to be sufficient for a family of four or a couple that eats a vegetable-based diet. Larger families should consider two shares. A single share is estimated to be sufficient for a couple or one person who eats a vegetable-based diet.*
