

# THE ASBURY VILLAGE FARM 2010 FLOWER SHARE

Thanks to the efforts of the Farm Flower Manager, Virginia Fitch, we currently have a profusion of zinnias and some other varieties as part of your share. This is a U-Cut distribution with the number of stems for your bouquet listed on the distribution board each week. There are scissors on top of the yellow cabinet on the left side of the door. Please return them or better yet, bring your own. Please, only one gladiola per share.

Virginia has made a number of pastels of flowers from the cutting garden that will be exhibited along with landscapes in the Upstairs Gallery at the Sandcastle Winery (<http://www.sandcastlewinery.com/>) in Bucks County from August 11-15. There will be a reception for Virginia on Saturday, August 14 from 2-6pm which you are welcome to attend. You can see more of Virginia's work at <http://www.myartspace.com>.
